## About Tracy

Tracy is an internationally recognized speaker, author, trainer, and advocate. Her broad expertise, combined with her relatable and passionate delivery, have made her one of the most in-demand speakers in America. She is the founder of the Exceptional Leaders Lab and has co-authored two books; "What Exceptional Leaders Know," and "Exceptional Leaders Playbook."

As a thought leader for over 25 years, Tracy Spears has helped organizations, communities and executive teams achieve extraordinary growth with successful strategies that build exceptional leaders.
